## FUN FACTS

Fatiha was born in Dhaka, Bangladesh and grew up in Calgary, Canada since the age of 4.

She studied electrical engineering in university, is a singer/live performer, directed a documentary series about electronic music, loves writing science-fiction and fantasy novels, and enjoys horror films. She started in the voice over industry from an interest in audiobooks, and it has since grown into a full-blown passion for commercial, animation, narration and all sorts of voice work!
